## PROFILE

A web developer with a solid foundation in web development technologies. Experienced in creating responsive and user-friendly websites using HTML, CSS, and JavaScript frameworks such as React and Vue. Passionate about delivering high-quality work and constantly improving my skills.

## EXPERIENCE

### Credit Assessor, Goryo Savings Bank

Sep 2021 – Jan 2022

 Busan,  
Republic of Korea

I worked in the Credit Assessment Team. I was responsible for tasks such as monitoring the risk of secured asset loans and organizing data for bridge loans.

### Frontend Web Developer, SCADAICT

Sep 2022 – Mar 2023

 Seoul,  
Republic of Korea

SCADAICT is a startup company that provides smart factory system to the clients who need some business solution. As a frontend web developer, I designed and created the screens for the clients using Figma and Vue.js.

## EDUCATION
